They agree on 8 of 12 picks (green) and split on 4 (amber). Bold = 70%+. Grey = no pick; the italic "off record" line is the team each model would take and its win chance, never counted in the record. QBs: each team's expected starter; a game is a no-pick when the starting QB is out or unconfirmed, and any pick whose starting QB changes before kickoff is dropped.

How far to trust them (NFL, same 887 games, 2022-2025). Engine 64.0% of winners, framework 62.6%, closing-line favorite 68.7%. One week is a small sample.
